Weird street fights

Street fights have become somewhat of a cult sensation since the turn of the millennium, with mobile phone cameras and social media becoming household items as well as the influence of Hollywood movies that also play their part. The basic human instinct of struggle should be recognized when discussing this topic too, but the result at the end of it is often the same, regardless of reasoning. Naked bruises around the world try their luck once they have a few beers, but then there's also gang affiliation, hatred, jealousy and many other determining factors to consider. When the back brain kicks in, it's wrestling or flying, but today we're looking at those who choose to stand and bang. Youtube has become a library of fighter videos, and undoubtedly the most famous star born of this genre is Kimbo Slice. The bearded brawler has had many fights viral, ultimately leads to a short career in the UFC, about a boxing stint, and now back to the world of MMA and Bellator, where he recently defeated a legend, Ken Shamrock. Of course, few will get anything but a few broken bones, bruises, or a nose bloody to show for their attempts to get internet notaries in the field, but not always the protagonists know about their record. So we have a mix of equally shocking knockouts, but we observe a wide range of strange considerations and a lack of logic behind the subjects' behaviour. Final warning: The footage has violence that only people over 18 should view! No extra zé: Top 5 most shocking street fight Video knockouts..... youtube.com/watch?...
